

IN THE SPECIFICATION

Please replace paragraph [0012], on page 8, as follows:

It can be examined whether or not a candidate peptide is the HLA-A26-binding cancer antigen peptide by a method described in, for example, *Tissue Antigen* 61: 136. 2003, or a method described in the working Examples below. It can also be examined whether or not a candidate peptide is a peptide having activity as an HLA-A*0201-binding cancer antigen peptide in a similar manner.
